July 7th 1859

B. F. Leet Esq
Dr Sir.

Yours of the 6th has been received
and contents noted.

I would like to know the
number of feet of 10 inch water pipe required,
in order to make my estimate at as low a figure
as possible, and with a view to construct machinery
for rivetting the same.

Please write by return express
and oblige Yrs &c
